Survival Week

What an absolutely wonderful week! The children have enjoyed each activity displaying, at some point during the week, each of the 6 Spirits. Monday's bush craft saw the children lighting fires, building shelters and learning essential skills for the outdoors. Our mountain rescue was a great hit on Tuesday and Ollie found all the children, thankfully! Wednesday was the spectacular survival sports and summer fair. Congratulations to the Rowans who were the winning family. The children learned about flood defences on Thursday—there were a few giggles and ahhs as their houses were either water tight or simply flooded! Then, with the week ending on first aid, the staff feel sure should any of our children be stranded on a desert island - they would survive! Keep a look out on the website next week as the photos will be posted there. Thank you to all the staff who have put in a massive amount of time organising this week. They have done an amazing job I am sure you will agree!

Summer Fair

A huge thank you to all the FoBs who dedicated their time to the splendid event on Wednesday afternoon. There was a great variety of stalls and activities as well as some lovely cakes, hot dogs and cool ice pops. The FoBs raised £507.50 from this event—fantastic. However, this year they have raised the huge total of £2154,26. Thank you to all the parents who have supported events this year.
