Workhouse Trip

Class Two and Three have been busy learning about Victorian times this week, producing letters to Queen Victoria on the plight of working children. Plans are underway for a trip to Ripon Workhouse Museum next week ; please look out for the ParentMail form regarding this.

Message from FOBS

Fobs have had a great year of raising funds for the school With just under £6,000 in the pot, we have donated £3,000 to the school for the garden project and £1,000 for the up and coming panto trip in December 2017. Many thanks for your contributions. - Kate Layfield

Classroom Changes

Class 2 are on the move... In September we will be making the hall into our new classroom. This will allow the children in Class 2 to continue to access the outdoor play area throughout the year which we feel is very important. The upstairs classroom can then be used for Treetops, small group work, a formal library and assemblies.

Polite Reminder...

Please ensure all uniform is clearly labelled as lots of items are going astray at the moment. We would also like to remind parents that the P.E equipment should only be used in lesson times and not before and after school. Thankyou for your support in this matter. We are happy for the children to still use the goal posts whilst supervised by parents.

Swimming/Music Lessons

Thankyou for your responses regarding swimming. A significant number of parents were expressed a preference not to pay for the school swimming lessons. As a result of this, from September , swimming will be offered to Class One children only who will swim in the Spring term each year. Please note, there are no refunds for swimming lessons missed due to illness as school are still charged per session, not per child. Class Three will be taking part in the music lessons as detailed in the original letter.

We have the following spaces in groups of 8 - Guitar (2 places), Keyboard (4 places) Woodwind (now full), If you're interested in lessons, please advise.

Payments

As it's rapidly approaching the end of term, we ask parents to log onto their ParentPay accounts and settle ALL outstanding items. We suggest you calculate the number of meals your child will be having before the end of term and pre-pay them. This will eliminate the need for reminder letters at the end of term.

23rd June 2017

Next week's 007 theme is ...

Honesty
