Review Date:

Introduction

This policy has been written based on North Yorkshire e-safety guidance in conjunction with BECTA and CEOP materials. It has been adapted to reflect the schools own decisions on balancing educational benefit with potential risks. This e-safety policy will be used in conjunction with policies relating to curriculum, data protection, anti-bullying, safeguarding children, security and home-school agreements.

The headteacher has identified Tamsin Benning as the e-safety co-ordinator.

This policy has been prepared by the e-safety co-ordinator and has been agreed by the Headteacher and Governing Body.

Rationale

The internet and other digital technologies permeate all aspects of life in a modern technological society. Internet use is part of the statutory National Curriculum and is a necessary tool for staff and pupils. It is the entitlement of every pupil to have access to the internet and digital technologies, in order to enrich his/her learning.

Scope

This policy applies to all pupils, all teaching staff, all support staff, all governors and all volunteers.

Aims

Our aims are to ensure that all pupils, including those with special educational needs:

- will use the internet and other digital technologies to support, extend and enhance their learning;
- will develop an understanding of the uses, importance and limitations of the internet and other digital technologies in the modern world including the need to avoid undesirable material;
- will develop a positive attitude to the internet and develop their ICT capability through both independent and collaborative working;
- will use existing, as well as up and coming, technologies safely.

Internet use will support, extend and enhance learning

- Pupils will be given clear objectives for internet use.

- Web content will be subject to age-appropriate filters.
- Internet use will be embedded in the curriculum.

Pupils will develop an understanding of the uses, importance and limitations of the internet

E-Safety Policy

- Pupils will be taught how to effectively use the internet for research purposes.
- Pupils will be taught to evaluate information on the internet.
- Pupils will be taught how to report inappropriate web content.

Pupils will develop a positive attitude to the internet and develop their ICT capability through both independent and collaborative working.

- Pupils will use the internet to enhance their learning experience.
- Pupils have opportunities to engage in independent and collaborative learning using the internet and other digital technologies.

Pupils will use existing technologies safely

- Pupils will be taught about e-safety.

Data Protection

- There is a separate Data Protection policy.

E-mail

- Pupils and staff will only use approved e-mail accounts when using the school network.
- Pupils will tell a member of staff if they receive inappropriate e-mail communications.
- Pupils will only use e-mail for approved activities.

Internet Access

- Staff will read and sign the e-safety and acceptable use policies before using any school ICT resource.
- Parents will read and sign an internet access consent form and Acceptable Use Policy before their children are given access to internet resources.
- Pupils internet access during school hours will be supervised by a member of staff.

Mobile Phones and other handheld technology

- Pupils are not permitted to have mobile phones or other personal handheld technology in school. Such items can be confiscated by school staff if they have reason to think that they are being used to compromise the wellbeing and safety of others (*Educationand Inspections Act 2006, Sections 90, 91 and 94)*.

Systems Security

- ICT systems security will be regularly reviewed with support from Schools ICT.

Web Filtering

- The school will work with Schools ICT to ensure that appropriate filtering is in place.
- Pupils will report any inappropriate content accessed to their class teacher, who will pass it on to the e-safety co-ordinator.

Communication of the e-safety policy to pupils

E-Safety Policy

- Pupils will read (or be read) and sign the age-appropriate Internet Acceptable Use Policy before using these resources.
- E-safety rules will be posted in each room where a computer is used.
- Pupils will be informed that internet use will be monitored.

Communication of the e-safety policy to staff

- The e-safety and acceptable use policies will be given to all new members of staff.
- The e-safety and acceptable use policies will be discussed with, and signed by, all staff at least annually.
- Staff will be informed that internet use will be monitored.

Communication of the e-safety policy to parents/carers

- The acceptable use policies will be available in the school prospectus and on the school website.
- Parents will be asked to sign a home-school agreement when their children join the school. This will include acceptable use policies relating to the internet and other digital technologies.
- The school will communicate and publicise e-safety issues to parents through the school newsletter and website.

E-safety Complaints

- Instances of pupil internet misuse should be reported to, and will be dealt with by, the e-safety co-ordinator or Headteacher.
- Instances of staff internet misuse should be reported to, and will be dealt with by, the headteacher.
- Pupils and parents will be informed of the consequences of internet misuse.

Whole-School Responsibilities for Internet Safety

Headteacher

- Responsible for e-safety issues within the school but may delegate the day-to-day responsibility to a Senior Leader as the e-safety co-ordinator.
- Ensure that the e-safety co-ordinaor is given appropriate time, support and authority to carry out their duties effectively.
- Ensure that developments at Local Authority level are communicated to the e-safety co-ordinator.
- Ensure that the Governing Body is informed of e-safety issues and policies.
