

SPORTS PREMIUM 2014/2015

Sport Premium is an amount of money which the government has agreed to allocate to schools to increase the quality & breadth of PE & Sport provision, and increase participation in PE & Sport. The funding amount received by schools is based upon the number of children of primary age at the school.

In the year 2014 - 2015 we received £7718 and we spent £9335 on P.E.

The following table shows how the Sports Premium monies contributed to the expenditure for P.E in 2014/2015. The total amount spend exceeds the sport premium funding therefore showing that the school already commits to the development of PE and Sport.

The priorities were identified by using the Youth Sport Trust Self Review tool in relation to PE, Sport and Physical Activity as well as looking at the individual needs of the school.

In order to access expertise & appropriate support the school joined the following organisations to support these priorities;

- Harrogate School Sports Partnership (link)
- Youth Sport Trust.
